- CONSENT AND MODIFICATION

By using this Site, you consent to the terms of our Privacy Policy and to Cro-bit Ltd.'s processing of Personal Information for the purposes set forth herein. If you do not agree to this Privacy Policy, do not use our Site and/or any of our services. Our privacy

policy is subject to change at any time without notice. To make sure you are aware of any changes, please review this policy periodically.

By visiting this Website you agree to be bound by the terms and conditions of this Privacy Policy. If you do not agree please do not use or access our Website.

By mere use of the Website, you expressly consent to our use and disclosure of your personal information in accordance with this Privacy Policy. This Privacy Policy is incorporated into and subject to the Terms of Use.

- **INTRODUCTION**

We respect your privacy online and recognize your need for appropriate protection and management of any personally identifiable information ("**Personal Information**") you share with us.

"**Personal Information**" means any information that may be used, either alone or in combination with other information, to personally identify an individual, including, but not limited to, a first and last name, personal profile, a home or other physical address, an email address or other contact information.

Any information, video, image, data, text, documents, or other content posted at your direction onto a public area of the Site becomes publicly published content and will be available to all users of the Site even if such content contains Personal Information. Please note that if you publish your contact information, you may receive unsolicited messages from users and visitors to the Site. We encourage you to publish only information you are sure you want to be accessible to anyone.

Currently, we do not require you to provide Personal Information in order to have access to information available on our Site. However, in order to provide you with certain products

and services given through the Site (including the browser extensions services), you must create an account (“Account”) and provide us with your email address, a password that you will use for your Account and other specified information.

Certain products and services given through the Site may require a fee. In order to use such services you will be required to pay an applicable fee as published on the Site. We may use a third party payment processing company in order to collect such fee and you will be required to provide such third party certain personally identifiable information such as your name, billing address and credit card information. Such third party's use of such information will be governed by its privacy policy provided, however, that we use reasonable commercial efforts to limit such third party's from using your information for any other purpose.

### 3. USE OF DEMOGRAPHIC / PROFILE DATA / YOUR INFORMATION

We use personal information to provide the services you request. To the extent we use your personal information to market to you, we will provide you the ability to opt-out of such uses. We use your personal information to resolve disputes; troubleshoot problems; help promote a safe service; collect money; measure consumer interest in our services, inform you about our offers, services, and updates; customize your experience; detect and protect us against error, fraud and other criminal activity; enforce our terms and conditions; and as otherwise described to you at the time of collection.

In our efforts to continually improve our product and service offerings, we collect and analyse demographic and profile data about our users' activity on our Website.

We identify and use your IP address to help diagnose problems with our server, and to administer our Website. Your IP address is also used to help identify you and to gather broad demographic information. We will occasionally ask you to complete optional online surveys. These surveys may ask you for contact information and demographic information (like zip code, age, or income level). We use this data to tailor your experience at our Website, providing you with content that we think you might be interested in and to display content according to your preferences.

- **THE WAY WE USE YOUR PERSONAL INFORMATION**

If you submit Personal Information to us through the Site and/or its services, then we will use your Personal Information to improve our services to you, to contact you and to identify and authenticate your access to the Site's services that you are authorized to access.

We may transfer your Personal Information within Cro-bit Ltd. or to Cro-bit Ltd.'s third-party authorized service providers, but only to provide or to offer you services through the Site and to personalize your experience on the services. Note that your information may be transferred to other jurisdictions worldwide.

We may provide Personal Information and non-personally-identifiable information to our subsidiaries, affiliated companies, or other third parties for the purpose of processing such information on our behalf mainly for statistic purposes. We require that such parties maintain the confidentiality of such information.

We may also use your email address to send updates, a newsletter or news regarding our services. You may choose not to receive email of this type by following the unsubscribe link contained in the email provided, however, that you will not be able to opt out of receiving notifications regarding systems updates, service announcements or other administrative messages regarding the site's services (including the browser extensions services).

We may disclose your Personal Information or any information you submitted via the Site and its services if we have a good faith belief that disclosure of such information is helpful or reasonably necessary to (i) comply with any applicable law, regulation, legal process or governmental request, (ii) enforce any agreements we may have with you including investigations of potential violations thereof, (iii) detect, prevent, or otherwise address fraud or security issues, (iv) protect against harm to the rights, property or safety of Cro-bit Ltd., its users, yourself or the public, (v) to respond to claims that any content published on the Site or the services violates any right of a third-party, (vi) to respond to claims that unauthorized information (e.g. phone number, name, etc.) of a third-party has been posted on the Site

or the services, (vii) when Cro-bit Ltd. is undergoing any change in control, including by means of merger, acquisition or purchase of all or substantially all of the assets of Cro-bit Ltd., (viii) pursuant to your approval, in order to supply certain services you have requested from Cro-bit Ltd., (ix) to let our partners, affiliates and authorized service providers to serve you with commercials, or

(x) to collect, hold and manage your Personal Information through a third party's cloud based services, as reasonable for business purposes, which may be located in countries outside of your jurisdiction.

We, independently and/or via our authorized service providers, may collect Anonymous Information (as defined below) during the use of the Site and its services including when you use any Extensions (as defined in the End User License Agreement) downloaded from Cro-bit Ltd.'s servers. We may use Anonymous Information or disclose it to third party service providers, to improve our services, to enhance your experience with the Site and its services and to offer new services of Cro-bit Ltd. from time to time. We may also disclose Anonymous Information (with or without compensation) to third parties, including advertisers and partners, for purposes including, but not limited to, targeted advertisements.

Anonymous Information means information which does not enable identification of an individual user, such as aggregated and analytics information about the use of our Site and the use of the Site's services (like any Extensions generated on Cro-bit Ltd.'s servers) including but not limited to user's browser type,

operating system type and user's IP address.

- **COOKIES AND OTHER TRACKING TECHNOLOGIES**

When you access or use the Site, Cro-bit Ltd. may use industry-wide technologies such as "cookies" and Flash (or similar technologies) which stores certain information on your computer ("Local Storage") and which will allow us to enable automatic activation of certain features, and make your experience on the Site and its services much more convenient and effortless. A "cookie" is a small text file that may be used, for example, to collect information about Site activity. Some cookies and other technologies may serve to recall Personal Information previously indicated by a Site user.
